04/05/2016

Agenda:

1. Close Captioning
   Standard document
   Ida is paying for 1 student = $1,200
   Needing if for 9 students
   It is $150.00 an hour transcription time

   There are streaming databases, Ida is working with Carla in the Library to see if the databases have close captioning

   This is a very time intensive
   Is it better to hire someone or send the work out

   Dave Anderson suggests hiring a person and have students

   Jeanne wants us to list the points and go to Dean's Council to present
   Lenya has ideas from Arapaho college

   Put this into effect for videos moving forward

   Needing to put this into a document

   -> put this list together and send out

   Making it clear for students and faculty to get their videos captioned
   Priority of videos and process

   Setting up a road trip to Arapaho Community College

   Can Dragon Pro help with this

   Needing to look at site licenses

   Working on a presentation
   Current issues
   Legal issues
   Standards we are working
   Recommendations

   Ida and Jackie will work on the issues
   Put together standards document area so we can share the document
   Jackie will put together faculty recommendations

2. Web Site
   Craig:
   Site Improve

Trying to distribute out access to all of the content users
Lenya - the software will only find a third of the errors
Scott - need to put an Accessibly statement at the footer of each page.

a. AA Rating
Six outstanding issues to be compliant with AA rating
Lenya has been help with styles and provided a tool to help

b. Drupal update

3. Accessibility Polity
a. Draft (attached)

4. Read Write Gold
5. Lenya will work with Scott Carter and Lewis Young

6. Faculty Training
a. New ways to get faculty engaged

7. Other Issues
As a campus we need to document, show the effort and how we are making a difference

Setting action steps making a strategic
Work with Jeanne and find a place to publish all of the documents.
