

4/13/2015

Working group for Web and Online Learning

Looking at policies from CU Boulder

Put together our Policies

What will be done at the system level and then at the campus level

Create a budget

Before IT projects can be forward that must go in front of an ADA review board

Videos that faculty are holding for class

Including documents such as PDF

Schedule an AT Lab open house

Needing more marketing

Adding the four pack into the Lab Image

Needing to work with Business IT

Caroline Fox is surveying the gen fund buildings for ADA

We need to figure out what our plans will be for 2015-2016

WC3 WIKACT 2.0 Section 508

Lenya and Ida are reviewing Student Success space for ADA

Megan Bell is working on each event for ADA accommodations

Working on guest coming to campus for service and comfort animals

Looking a contracts for closed caption

Number of videos being stored for faculty

Large events Megan Bell
