November 6, 2017

Start time: 2:02PM End: 2:48PM

Room: EPC 107

Kirk- IT

Pauly- Dhs

Tungsten- IT

Steve- Housing

Christa- Rec

Missy- housing

Paul-Aux

Jamie- aux

Joel- library

Tim- ENT

1. Orientation

All is going well

2. Ent FTP drop

When someone gets Ent lion one card it will automatically update in system

Not completely working, still in testing phase

Update: all is working now.

3. Update newest version of one card on Dec 21, 22, 23

First day everything will be down can't run reports from admin terminal

Will not be able to pull anything off the POS until late Friday

4. Housing

Door Access improvements

- Buying a new power supply with battery backups
- Comes out to \$700 per two doors

5. Heartland/Touchnet

Name change- Heartland to Touchnet

Rep meeting Wednesday

- Deb trying to set up meeting 12-2pm on what is outdated and needs to be replaced
- Moving towards IP based system

6. One Web

Updates- Working with Heartland/TouchNet to set up.

7. Area Updates

a. UC/Photo ID

- Everything with orientation and photo id seemed to go well

b. Housing

- Missy- A lot of cards are needing to be recoded, getting demagnetized, not sure why.

c. Dining Services

- Split transactions at PAX terminals not working. Must make payment with one type, Credit Card, or cash.

d. PAX terminal testing

e. Rec center

f. Library

- Getting closer to not needing the bar codes on the back of cards for authentication to databases

g. Ent

- Wanting to add phone numbers for different UCCS departments on cards, don't know if it will work on Ent cards because of Visa requirements

h. Door Access

- Adding door access to three doors in IT and two in columbine

Kirk- Talking with Harper on making a lion one card office, hopefully start in the spring semester

- Stacey in UC would head up
- One stop place for anything relating towards lion one
