1. PAX Terminals
 - 11 installed
2. Orientation
 - No issues
 - Tim- happy overall
3. Ent File Drop
 - Still not working.
4. Gift Cards
 - Tungsten- buying 1000 cards and when they run low, then we'll replace
 - How can we put expiration dates on gift cards?
5. One account
 - When students leave school they will not automatically fall out of system towards end of semester
6. One card office update
7. Future road map
 - Bookstore- hopefully will integrate bookstore by the end of the fall semester
 - Mobile- working on converting physical lion one card to a mobile card on phones, students can still have a physical card as well
8. Area updates
 - University center-
 - Stacey- no longer overseeing students

Housing-

- Front door of La Plata is always open, when a student swipes their card it locks and it has to be to reset
- Student swiped card in dining which was rejecting their meal plan, even though they had one

Dining Services-

- Student's lion one card didn't have enough money to buy their drink, then register was in the negative, didn't prompt cashier to say they still owed money

Rec Center-

- Now fully staffed
- Front door is still having swiping issues, selective with how many times it opens

Library-

- Account linking cause no problems

Ent-

- Will follow up with Ent file drop
