ACADEMIC ADVISING

Academic advisors (advising.uccs.edu) are here to serve as a guide through a student's college career. Advisors will discuss education, career, and life goals connecting students with campus resources. Advisors help develop an academic plan to help students stay on track with their degree progress.

Students with any questions regarding their course schedules, degree plans, major exploration, or simply navigating college, can schedule an appointment with their academic advisor. Students may schedule an appointment with their academic advisor via Starfish (uccs.edu/starfish) or by calling 719-255-3260.

DISABILITY SERVICES

Disability Services (disability.uccs.edu) provides reasonable accommodations and support to meet the individual needs of students with disabilities.

Students requesting accommodations can contact Disability Services at 719-255-3354 to discuss possible accommodations.

FIRST YEAR EXPERIENCE

First Year Experience (fye.uccs.edu) supports students by helping them gain confidence around their ability to succeed academically at the university level. FYE meets with students to assess their current academic situation and then create a plan which includes coaching students in improving academic performance and skills, along with helping them to establish a sense of belonging at UCCS.

Students wishing to discuss the transition to UCCS, prepare to get started at UCCS, explore campus academic spaces, set up a study schedule, or meet with a success coach or peer academic coach, may schedule an appointment via Starfish (uccs.edu/starfish) or by calling 719-255-3570.

STEP

4

Complete
action items

Log in to your myUCCS portal (uccs.edu/portal) to view your action items.
There are two types of action items: to-do items and holds.

To-Do items are items that you still need to complete or items that have been assigned to you with an updated status. Any incomplete to-do items may result in a hold.

Holds are items that may impact your ability to register for classes in the future and require immediate attention.

STEP

5

Reserve
a parking
permit

COMMUTER STUDENTS

A limited number of parking permits are sold for fall and spring (no limits during the summer) on a first-come, first-served basis. Students must purchase a permit in advance online. For types of permits sold, permit prices, and availability visit: pts.uccs.edu.

ON CAMPUS RESIDENTS

Students residing on-campus must register for a resident parking permit online prior to the first day of classes. Residents bringing a vehicle later in the semester may register their license plate online at that time. Parking permits are included in housing fees.

STEP 6

Prepare for classes

ACCESS AND CONFIRM YOUR SCHEDULE FOR THE SEMESTER

Log in to your **myUCCS portal** (uccs.edu/portal).

- Your **myUCCS portal** homepage will feature a “Class Schedule” tile which can be expanded for additional viewing features.

PURCHASE YOUR TEXTBOOKS

Log in to your **myUCCS portal** (uccs.edu/portal).

- Within the “Class Schedule,” a link will be provided under “Books” for each class.

CLAIM YOUR CHROMEBOOK

In 2020, UCCS launched its first ever Laptop Program to provide Chromebooks to all incoming full-time freshmen and transfer students*. Visit laptop.uccs.edu to learn more and complete your application.

*Full-time enrolled status for undergraduate students is defined as 12 credit hours and for graduate students is defined at 6 credit hours.

PURCHASE SCHOOL SUPPLIES

In general, school supplies are dependent on the student’s individual preferences. If a class requires supplies specific to the course, it will be listed on your required textbook list. However, here is a suggested supply list to get you started:

- | | | |
|---------------------------------------|------------------------------------------|---------------------------------------|

Canvas is a tool many professors use to post class information including course syllabi, assignments, quizzes, and more. Before classes begin, you can login to Canvas (canvas.uccs.edu) and set up your notifications and other settings under “Account.” Also, you can get 24/7 help with Canvas by clicking the Help button after you login.

CHECK YOUR UCCS EMAIL ACCOUNT

It is important to check your UCCS email daily as this is the primary means of communication for the university. Your UCCS email is where you will receive emails from your professors, find out about important events on campus, and keep up with important deadlines.

To check your UCCS email go to uccs.edu, click on the tools dropdown, and select Office 365 email. You will log in with your UCCS email address and password. If you cannot remember your email or your password, please contact the Office of Information Technology Help Desk ([oit.uccs.edu](mailto:oit@uccs.edu)) at 719-255-4357.

For instructions on how to upload your photo visit liononecard.uccs.edu or contact the University Center Info Desk at 719-255-3450 or lionone@uccs.edu. Your student ID card gives you access to your residence hall (if living on campus), access to the Gallogly Recreation and Wellness Center, and access to various events — among other things. Following the upload of your photo, ID Cards can be picked up at the University Center Info Desk.

STEP 7

Pay
your bill

PAY YOUR BILL

Everything you need to know about your bill can be found in your **myUCCS portal** (uccs.edu/portal). Once logged in, you can access a bill estimate, view your balance, pay your bill, authorize others to view and pay your bill, authorize direct deposit, authorize COF (Colorado Opportunity Fund), enroll in a payment plan and view 1098-T tax forms.

Parents, family, and friends do not have access to their student's myUCCS portal.

Only the student, and anyone that the student sets up as an authorized payer, may view and pay the bill.

Students may add an authorized payer through their myUCCS portal. Authorized payers may view/pay bills through QuikPay (bursar.uccs.edu).

UCCS is a paperless billing campus.

Students receive an email to their UCCS email account when eBills are posted.

Payment plans are available.

Payment plans are available, but students must sign up for a payment plan prior to census date (the tuition due date). There is a \$40 service fee to enroll in a payment plan.
